A note from...

Ed Meyer
Chief Operating Officer

Happy New Year! With a new year comes new leadership at CHB. I am humbled and honored that my role has changed to COO. CHB is an amazing company steeped in the traditions of honesty, personalized service and a strong commitment to our customers. These are the values on which the company was founded and will continue to operate in 2020 and beyond.

We are thankful for the trust and confidence you have put in CHB and would appreciate the opportunity to help others with their equipment financing needs. Although we are a small business in a small town, CHB serves clients across the nation. Anyone looking for fast and simple financing can apply online anytime at www.chbrownco.com. We have a team of experienced lenders ready to help you find the right financing options for your specific situation and business needs.

Thank you for your business and we look forward to serving you in 2020!

CHB CHATTER

featuring... **JADE CUNDALL**

Like many of the folks here at CHB, I'm a Wyoming native, born and bred. I grew up in Wheatland and graduated at the top of my class. After graduation, I left for Montana to work on a ranch.

I spent a few years on the ranch, but my heart was in Wyoming. Turns out my wife-to-be was too. My wife and I met, got married and we started our life together in Wheatland. We have been together almost

24 years.

My career path was a little non-traditional. I tried many different professions including welder, lumber jack, carpenter and I was even part of a private school administration team before finding my passion in lending at CHB.

I started work for CHB about 15 years ago, taking the place of my father-in-law when he retired from the company as a lender. Family is very important to me, which makes CHB such a good fit. Not only is being a lender exciting and challenging, but CHB is a very family friendly company. I am grateful for a career that is consistent and have enjoyed being able to have time with my family as a result. It's a great time to be in the equipment financing industry and my hope to see CHB continue to grow in 2020.

I have two children now nearly grown. One is graduated and the other will graduate this spring. Both are very motivated and creative individuals! It is exciting to see where they will go from here.

Happy New Year wishes from me and my family to yours!
